  - Sending **Electronic Documents** (Common App and Parchment)
  - Student **College Search** & Lists
  - Scheduling and Managing College Representative **School Visits**
  - Creating and Assigning **Tasks**
  - **Communicating** with Parents and Students (Email, SMS, Chat)
  - Student Engagement: Messaging, Surveys, Career Planning (Human eSources), Mobile App

- **A College Guidance/Application Platform known for:**
  - It works
  - Responsive customer service and partner experience
  - Easy to use and powerful tool
  - Very customizable for your school
  - Great college search tool
  - Lots of cool new features, updated often!

Cialfo's Mission and Vision

Counselors

We believe that your college guidance technology should be as simple and streamlined as possible to free up your time to work with students. Cialfo was made by counselors and educators to be a fully featured, modern platform that does just that.

Students

We believe that every student deserves access to educational and career opportunities. We are on a mission to make college applications and career readiness simple, efficient and accessible to every student.

Teachers

Letters of recommendation should be really, really easy. So we built it that way.

Guardians

Regardless of family type or configuration, we aim to empower guardians and parents to stay engaged and informed at the right level.

Cialfo at Glance

1. Designed For Counselors, By Counselors

Cialfo offers a vast amount of functionality and customization for schools including enabling or disabling your students ability to add schools to their applying list, setting task lists, sending out questionnaires, and generating customized reports.

In Cialfo, your counselors can also simply drag-and-drop bulk uploads, text students and guardians, and schedule college visits all within one platform.

2. Ridiculously Awesome Customer Service

Our team of experts do so much more than simply help you troubleshoot and learn the basics. We are here as your thought partner, resource, and helper during the most stressful times of the year.

3. Send Docs With Common App & Parchment

Cialfo integrates with The Common Application and Parchment to send transcripts, school profiles, and letters of recommendation directly to schools and universities! Never get told that a file size is too large again!

In addition, Cialfo is integrated with all of the major SIS platforms including PowerSchool, Blackbaud, Veracross, and more. We're even integrated into your email and calendar via Gmail and Outlook!

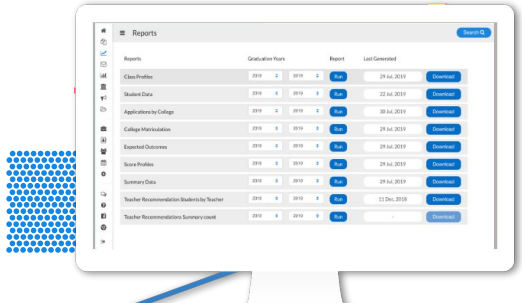
Cialfo at Glance

4. Refreshingly Modern & Engaging Student Interface

Increase student engagement by 2x.
We've built Cialfo with that in mind. Cialfo is proven to decrease your admin time by 3x and increase student engagement by 2x. In addition, students get started on Cialfo in just 30 minutes! That's right: increase happiness, decrease hassle.

5. Reporting Capabilities For Schools

Drill deeper into your student data with Cialfo. Browse application history, student engagement, matriculation, and student outcomes in a clean and easy to use dashboard - or download in a handy spreadsheet.



6. More Than A Platform, A Community

Cialfo isn't just another college planning platform. We're a group of educators that share a mission to democratize education and help all students achieve higher educational and life goals. We believe counselors and students deserve better, and that drives us every day.

By joining our community, counselors get access to regular webinars, professional development opportunities, our private Facebook group, and local in-person events with fellow Cialfo users to grow and stay connected.

Implementation

Get Started in 3 Simple Steps!

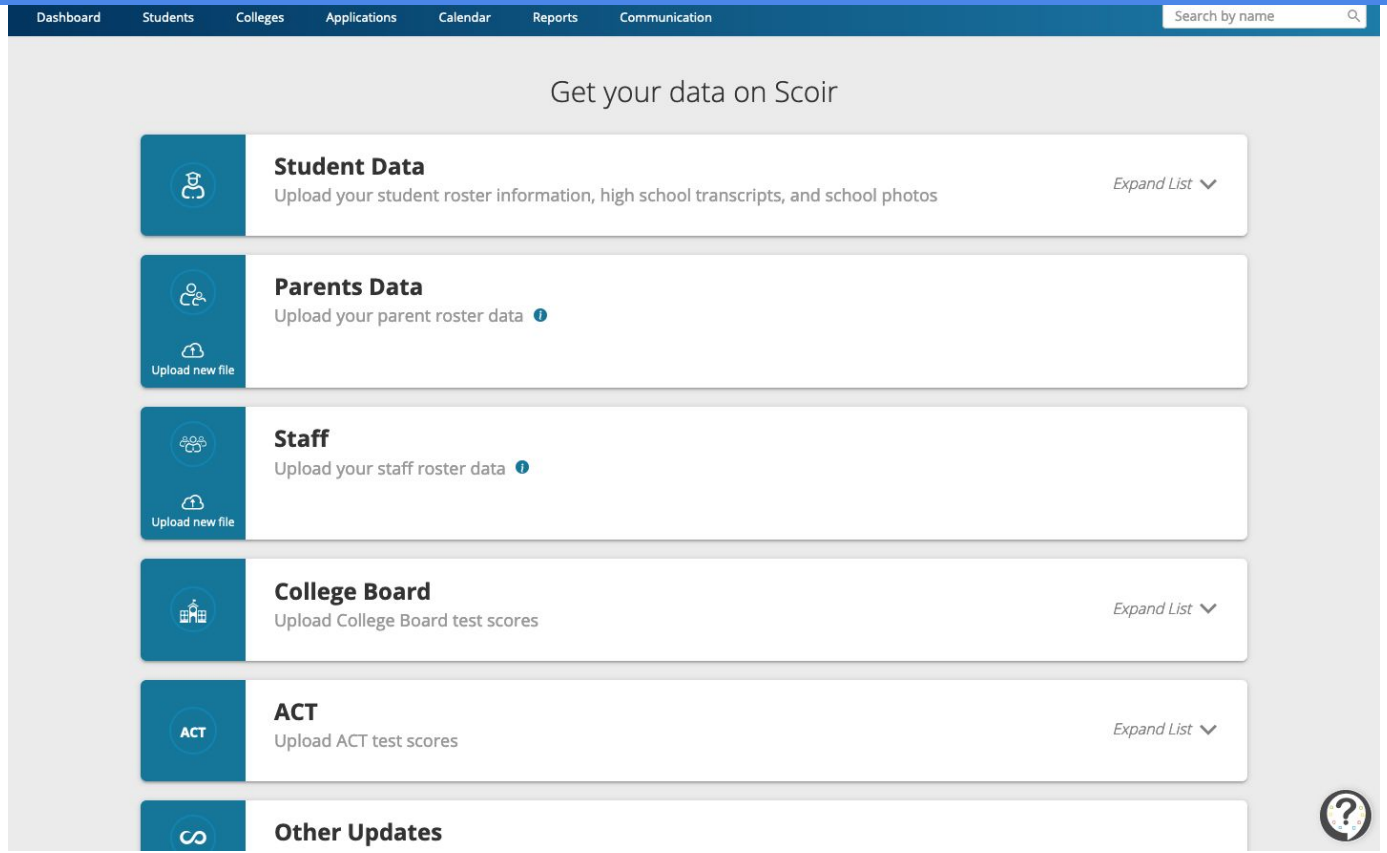
1. Provide Data for Account Setup *(time to complete: 30 mins)*
Using the information you just provided, we were able to customize instructions for gathering the data files we'll need to set up your account for how you intend to use it.

2. Complete Training Program *(time to complete: 2-4 hours depending on your preferences)*
Once your account is set up, we'll email you an invitation to schedule training for when it's convenient for you and your team. Our instructor-led, web-based training will get your team comfortable using SCOIR and fielding any questions your users might have.

3. Rollout to Stakeholders *(time to complete: 45 mins)*
Get the ball rolling efficiently and effectively using our onboarding guides, templates and best practices.

:-) Relax & Enjoy!
Your work life just got a bit easier...proceed with pleasure knowing that you have a wealth of resources and access to support if and when you need it.

Implementation



Ultimately...

The customer service is UNBELIEVABLE!!!

"Thank you for calling Customer Service.
If you're calm and rational, press 1.
If you're a whiner, press 2.
If you're a hot head, press 3...."

Bellarmine's Implementation Timeline

Fall 2018:

- Decide enough is enough with Naviance
- Research possible options
  - Team of 3 researched, got demonstrations, and ultimately picked MaiaLearning
- Worked with MaiaLearning to move all student data (past & current) to platform

January 2019:

- Introduced MaiaLearning to Juniors (Class of 2020) as their platform
  - No more Naviance for them
  - Naviance contract wasn't cancelled immediately in order to retrieve data from their system & complete 2019 cycle

Bellarmine's Implementation Timeline

Spring 2019:

- Utilize Maia as College Counseling Platform for Class of 2020
- Continue Naviance use for Class of 2019

Fall 2019:

- Officially end contract with Naviance
- Introduce Maia to faculty
  - Host training sessions (x3 - 1 after school, 2 at lunch)
- Upload & send documents using Maia
- Introduce Maia to Class of 2021

Spring 2020:

- Conduct virtual meetings via Microsoft Teams (campus expectation), but Maia offered Zoom integration
- Seniors input admission decisions into their accounts

Fall 2020 and Spring 2021

- Adding majors to Compare Me feature
- College visits adaptability
- Bulk send ability for Mid-Year Reports and Transcripts

Moving forward...final thoughts
