Campuses & majors

Choose campuses

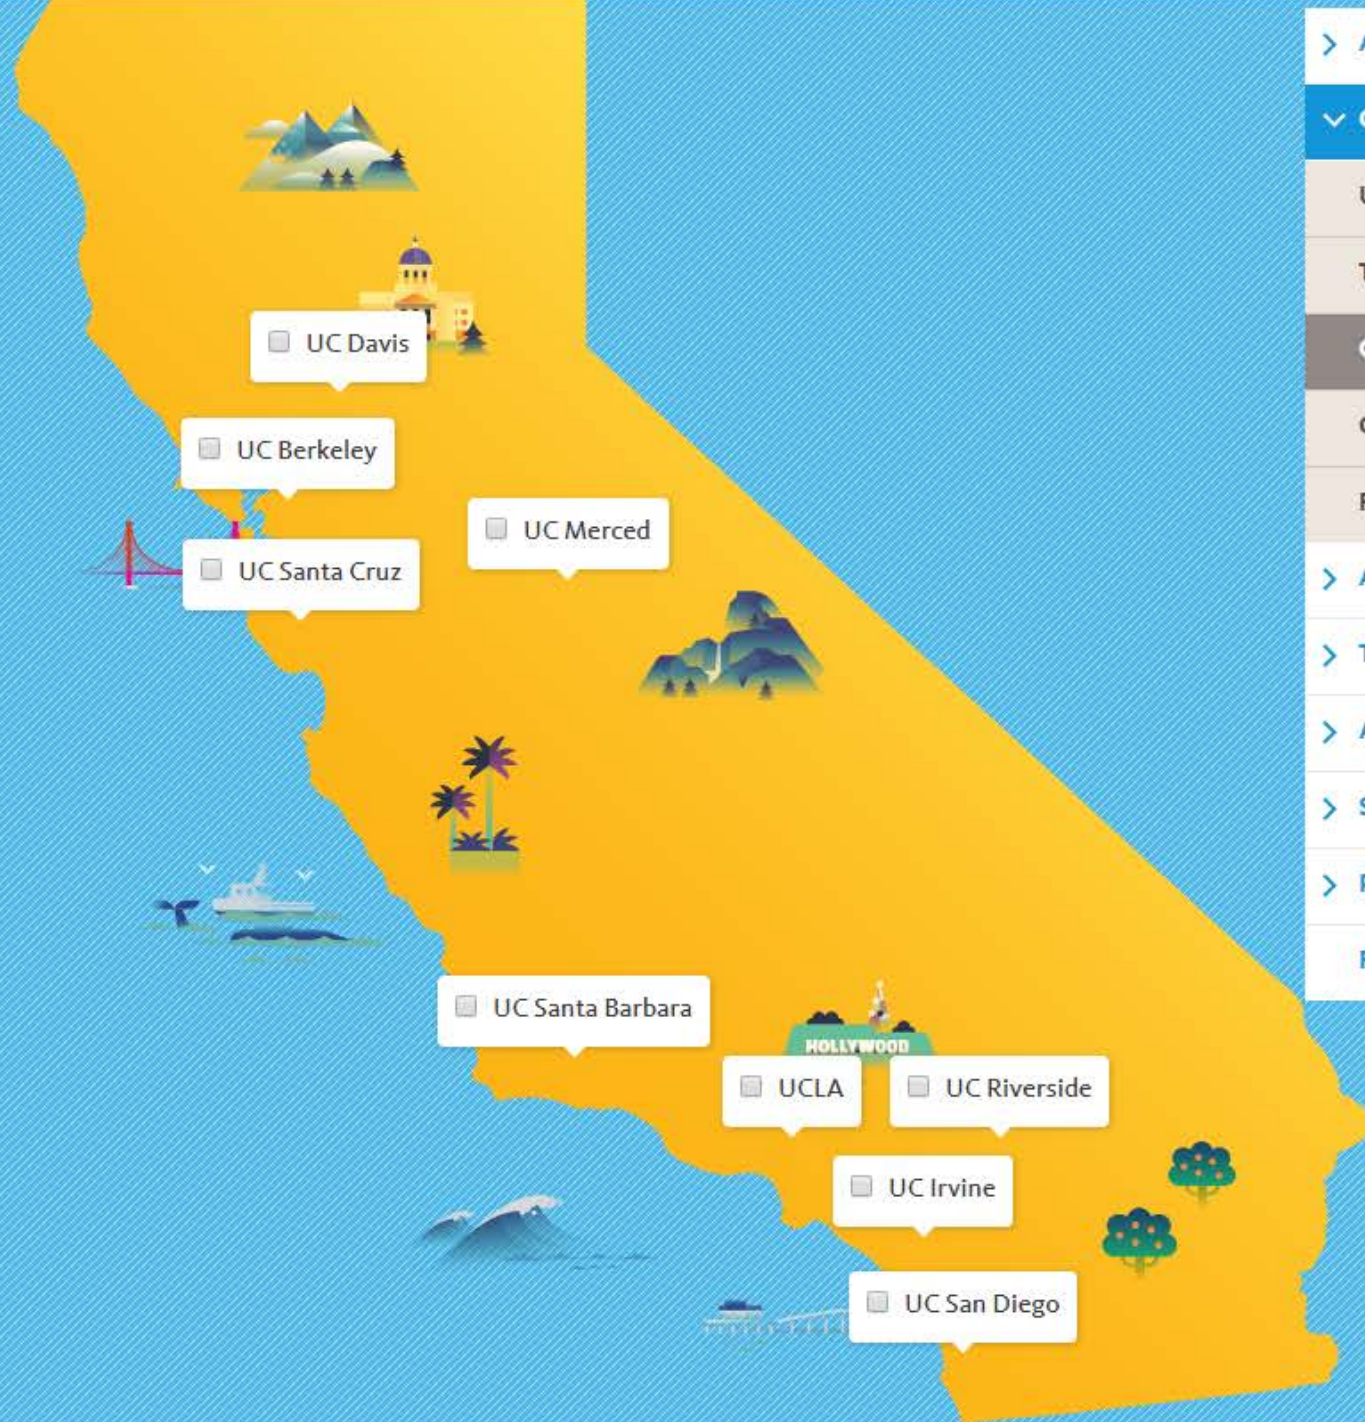

Each UC campus has different strengths and unique environments. Applying to more than one campus will increase your chances of being admitted to UC and finding a campus that's right for you.

There is an application fee of \$70 per campus, which you'll pay once you submit your application.

You may qualify for a fee waiver which will allow you to apply up to four campuses for free. Make sure you've completed your family's income and size on the [Your household](#) page. YOUR
